

## Citizen-Leader Scholarships

### \$20,000 Scholarships

*Granted per year over four years*

*Any accepted applicant who meets (or will meet before matriculation) these criteria and attends Hampden-Sydney College will receive one of these awards. However, if the student is granted one of the College's merit-based scholarships at the level of \$20,000 per year, he will receive an additional \$1,000 per year for being an Eagle Scout or a Boys State Participant.*

*Since 1776, Hampden-Sydney College has consistently enrolled young men who are leaders in their schools and in their communities. We recognize their outstanding achievement with these scholarships.*

#### **EAGLE SCOUT**

Developing responsible citizenship, character, and self-reliance, Hampden-Sydney College embraces the values shared by Scouting. Every year at H-SC, approximately 10% of the entering class, have attained the rank of Eagle Scout – among the highest percentages at any colleges or university in the country.

#### **BOYS STATE PARTICIPANT**

Hampden-Sydney College's founding mission "to form good men and good citizens" is still in practice today as we strive to enrich the personal and civic lives of our students. The College has had great success in preparing young men for leadership. Positions with professional, civic, fraternal, religious, and political institutions and associations.

*Accepted students may receive only one Citizen-Leader Scholarship. Additional funding beyond these scholarships is possible through our need-based programs, as determined by the FAFSA.*
