DISCOVERY DAY CAMP

The Lange Innovation Center served as base for the first-ever drop off day camp at Camp Belzer. In its first summer, Discovery Day Camp attendance surpassed the traditional Cub Scout Day Camp at Camp Belzer.

MSD LAWRENCE SCHOOLS AMAZING RACE STEM DAY

MSD Lawrence School District has contracted the Lange Innovation Center to provide programming for all its 4th grade and 7th grade students. The 7th grade field trips run September through October. The 4th graders will visit in Spring 2023.

SCOUTING MERIT BADGES RETURN TO BELZER

During the soft launch, the Lange Innovation Center is hosting two merit badges each month for up to 20 Scouts per class. To date, Scouts have completed archery, fishing, space exploration, astronomy, climbing, sustainability and photography.

LEADERSHIP DEVELOPMENT

The Lange Innovation Center hosted leadership and team building exercises for Exploring groups, Indianapolis Public School, Starfish, Indianapolis After School network with MSD Warren principals coming for professional development in late September. The FBI Youth Camp has committed for 2023.
